HISTORY

Peter Gfeller was born in Landeswiel Bigeln, St. Bern, Switzerland, April 6, 1809. His parents were Ulrich Gfeller and Verena Fisher Gfeller. He had three brothers: Jehn, Ulrich and Christian, of whom only the last named married; and three sisters: Christina, Barbara, and Elizabeth, all of whom were married.

Peter Gfeller was an excellent school teacher over twenty-six years in Landeswiel and Walkringen. He was also a piano tuner and could play several string instruments.

Anna Maria Moser was born in Bigeln, St. Bern, Switzerland, March 25, 1819. She was a daughter of Johnes Moser and Anna Lugebuchel Moser. She had one brother who died in 1852. Her parents also died in that year.

Peter Gfeller and Anna Maria Moser were married in October, 1835. In March, 1853, Peter Gfeller and his wife left Switzerland with eleven children. Two other children died in infancy in Switzerland. After a stormy journey of six weeks crossing the Atlantic Ocean on a sailship, they reached the United States and engaged in farming at Dunkels Grove, Illinois. Later they moved to Polk City, Iowa, and from there to Alida, Kansas in 1875. Five more children were born in Iowa, two of whom died in infancy. Fourteen of the eighteen children grew to maturity, married and reared families.

Peter Gfeller and his wife were members of the St. John's Evangelical Church near Alida from the time it was built in 1881 until their death.

Peter Gfeller died August 27, 1893, and his wife died October 26, 1912. They both were interred in the St. John's cemetery.
